SUBJECT : GMIC Contribution to NIE 100-2-58: PROSPECTS
FOR THE DEVELOPMENT OF NUCLEAR CAPABILITIES IN
"FOURTH COUNTRIES"

1. In accordance with the discussion with your representatives, we have canvassed the situation with GMIC, and have concluded that the earliest feasible date for a GMIC contribution is Monday, 14 April. We propose, in the absence of objection, to retain the present 31 March deadline for the JAEIC contribution on Section I, to set a GMIC deadline of 14 April, and to defer the deadline for the contributions on Sections II and III to Monday, 28 April. Please let us know if you have any objection to this arrangement. We shall continue to shoot for an IAC target date of early June.

2. For GMIC to meet this burden, we have agreed to a postponement of the deadline of the GMIC contribution to NIE 11-5-58, from 25 April to 8 May. This is being explained in a separate memorandum.
